

### Woman's Club Presents A Lecture and Also Has A Card Party and A Dance

THE attractive Woman's club building was the scene on Wednesday of two very interesting social events. One was the card party in the afternoon, the other the lecture in the evening by W. H. Ware, followed by a dance. Both the card party and the dance were given in benefit of the building fund. The card party is the first of a series of such parties to be given as benefits at the club building and was attended by a large number of male and female guests. The players were given. However, the players making the high score in each game played, five hundred and bridge, were presented with a corage bouquet of violets. Mrs. W. L. Foxworth made high score in bridge. Following the games, refreshments were served by the committee in charge, including the president of the Woman's club, Mrs. Charles B. Stevens, assisted by Mrs. Hal Christie and Mrs. C. L. Pelham.

Preceding the dance in the evening, held under the auspices of the club's social committee, of which Mrs. W. H. Ware is chairman, W. H. Ware, who has recently returned from duty with the U. S. C. A. service overseas, gave an exceedingly interesting talk concerning his personal experiences in Italy and France. He spoke of the wonderful work done by the American women near the fighting front. The dance following was well attended and much enjoyed. The high school jazz orchestra furnished the music for the dance.

The El Paso Sketch club will hold the first annual exhibit of the El Paso Architects' association from Monday, February 3, through the ninth of February, in the auditorium of the Y. W. C. A. building on East Franklin street. On the third, the view will be private and will be attended by those receiving invitations. From the fourth to the ninth, the exhibit will be open to the general public. On the day of the private view, Mrs. Julius Kracker will give the opening address.

### Don't Let Soap Spoil Your Hair

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mild, unperfumed oil, for this is pure and entirely greaseless. It's very cheap, and keeps the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful of all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Adv.

## THE ECONOMY BAKING POWDER CALUMET

Calumet possesses the farthest-reaching baking powder economy. It is the most economical leavening agent. It saves in more ways—and makes more important savings than most other baking powders.

You save when you buy it. The price is moderate—it leaves you money over the cost of high-priced brands for purchase of other articles. Costs but little more than cheap powders—far more valuable in quality.

You save when you use it. Possesses twice the ordinary raising force—you use only half as much as is ordinarily required.

You save materials it is used with. Calumet never fails with any kind of recipe or with any kind of flour—always produces perfectly raised, delicious bakings.

You'll notice a great difference when you use Calumet. Calumet produces light, sweet, wholesome, flaky bakings. You will notice with some of the cheaper brands the bakings are soggy, heavy, dark in color, and sometimes have a bitter taste.

Used by leading chefs and domestic scientists, and by more housewives than any other brand. Made in the world's largest and finest baking powder plant.

Best by test. A trial proves it.
